DEPARTMENT HEADS, ELECTED OFFICIALS AND EMPLOYEES

County Auditor Eric Van Lancker reported his office is preparing for the June 7 Primary Election and reminding voters of the new absentee voting laws. He said all polling locations will be open for the election and noted some voters will be voting in a new location.

Supervisor Srp said he recently spoke with a realtor who has been on the compensation board and said he is retiring and provided another name to consider appointing. Srp said Area Substance Abuse Council is hosting its annual open house on Friday in the Administration Building. They will do the same at the DeWitt office on Tuesday. He added Jerome Burken is being awarded the Liberty Bell award on Friday.

Chairman Determann said he would follow up with the County Engineer about the Union Pacific meeting about preserving a piece of an historic bridge that is being replaced. Determann said the business incubator on the first floor of the Wilson Building in Clinton may come to the County to seek a \$25,000 investment. Determann said there is a Zoom meeting about pipeline County ordinances tomorrow that he will be attending.

## **DISCUSSION WITH POSSIBLE ACTION**

Planning Discussion to set up the next meeting to review solar project applications: Supervisor Irwin said the meeting where the Board makes its decision should be in Grand Mound. Irwin believes they need one more meeting for follow up on some questions from the last meeting. Srp said the follow up meeting could be done during the May 16<sup>th</sup> meeting at 10:15 a.m. with the final meeting in Grand Mound on May 26 at 6 p.m. The schedules were agreed upon.

#### 10:00 A.M. County Broadband Study Report

Representatives of SmartSource, Curtis Dean and Todd Kielkopf, presented the final report. Srp said he doesn't want to commit funds to areas that the State or Federal funding may fund. He said there are other options to consider after that is known. He said this report helps guide his thinking on that. The Board will revisit broadband funding after the fiscal year starts and it reviews ARP funds.

#### 10:49 A.M. Drainage District

MOTION by Supervisor Srp to recess as the Board of Supervisors and convene as Board of Trustees for Drainage District #21.

Roll Call: Srp: Yes; Irwin: Yes; Determann: Yes. Motion carried. The Board of Supervisors recessed and the Board of Trustees for Drainage District #21 convened at 10:50 a.m.

County Engineer Todd Kinney said a repair project was done recently that replaced two lines with one larger line. Kinney said the area around the two previous lines are not draining as they had hoped. He asked the property owners to get a quote for a line to better drain the property and he would speak to the County about damages. However, Kinney said he got a bill from a tiling company for the work that was done to add another line and said the unit price on the invoice was a good price. Kinney said there is one area that was invoiced that was not affected by the work done. He said the reimbursement he would recommend would be around \$3,000. Van Lancker said an issue could be brought up that the work was done without approval from the trustees. He said Kinney explained it to the property owners the correct way, but the approval step was skipped by the land owners. He added it was likely the Board may have approved it since Kinney checked the cost and it was fair for the work completed. Kinney said he would research the invoice further and come back with action for the Board to consider at a future meeting.

MOTION by Supervisor Srp to adjourn Board of Trustees for Drainage District #21 and reconvene as the County Board of Supervisors.

Roll Call: Srp: Yes; Irwin: Yes; Determann: Yes. Motion carried. The Board of Trustees for Drainage District #21 was adjourned and the Board of Supervisors reconvened at 11:03 a.m.
