Coronavirus/COVID-19 update: County Community Health Manager Michelle Cullen reported seven new cases in the last seven days and none in the last three days. She said there are 21 hospitalized in the region with three at Genesis and one at Mercy. Cullen said the County positivity rate is 1.8% and the vaccination rate is at 42%. She added that the availability of the vaccine is now widespread. Cullen said things look good in the County and in Iowa. She added Illinois appears headed toward lifting more restrictions this week. It was decided that Cullen's weekly COVID-19 updates would end this week, but she will still provide her email updates and will report back to the Board if needed.

Tom Determann, Chairperson

Resolution on agenda discussion: County Engineer Todd Kinney presented a resolution to give Secondary Road employees a 3% wage increase for fiscal year 22. He said it is covered in the approved budget and those positions compared to similar counties around the State are lagging. He said the 3% will bring them closer to the same size counties. Supervisor Srp said the employee health benefits contribution is coming up later and maybe this should be considered in that conversation. Chairman Determann wants to wait until next week to talk about the compensation for the entire County. Supervisor Irwin said the Sheriff's Union arbitration has created an issue and the entire County wage and benefits should be considered. Irwin said there will be wiggle room from mental health tax levy being decreased. HR Director Dawn Aldridge said she will likely ask for a wage study to be done after reading the arbitration ruling from the Sheriff's Office Union negotiations. Aldridge said giving everyone the same wage increase is good if you are assuming positions are in alignment. Srp said he would like to have the discussion framed in wage and other benefits. Aldridge said the arbiter did not look at it that way. Srp said the arbiter was also to consider ability to pay and the County's revenue has been stagnant. Irwin said he would like review the assessed values of the Counties. County Auditor Eric Van Lancker explained some assessed values are already considered, but can be done more stringently. Irwin said the health benefits plan as a benefit directly affects employees' take home pay. The Board agreed to schedule the discussion for next week.

DEPARTMENT HEADS, ELECTED OFFICIALS AND EMPLOYEES

Van Lancker reported he applied for the Rescue Plan funding on Thursday. The funds should show up in the County's bank account early this week. He said the annual audit exit interview for FY20 will take place this afternoon.

Kinney said weed spraying is done and low water mitigation is also complete and other projects are continuing.

County Treasurer Dustin Johnson said his office is preparing for the June 21st tax sale and as of last Friday \$1.6 million in delinquent taxes will be in the tax sale.

County Facilities Director Corey Johnson reported the roof replacement project at the Administration Building should be completed by the end of the week if there is not too much rain this week. He said the parking lot project is expected to start in the next couple of weeks. He said the shop drawings are in to repair the door in the Sheriff's Office. Johnson said an electrical engineer said there are two options for the generator situation at the Administration Building. He said the first is to retro fit the building with more transfer switches to make the building a heating and cooling station. He said the second option is to replace the generator with a larger one to operate the entire building. Johnson said the engineer said a two generator system should not be considered.

County Conservation Director Philip Visser, reported the Fishing Has No Bounds event was conducted this weekend at Lake Malone. He said the Eden Valley Nature Center grand opening was a well-attended event. He said the Eco-Center at Rock Creek is now open every day of the week.

DISCUSSION WITH POSSIBLE ACTION

Engineering Design Contract for Q-1238: Kinney said the design contract is for the overflow bridge on the Wapsipinicon River. Kinney said there are two scopes, one to create the plan and then the actual plans for

construction for the overflow bridge. He said temporary damages have not yet been resolved. He said there is a lien on one of the properties with litigation involved. Kinney said the other two properties owners have agreed to amounts. He said he doesn't want to enter into an agreement for design without the Board permission.

MOTION by Supervisor Irwin to authorize the County Engineer to move forward with the design process for Q-1238 project.

Roll Call: Srp: Yes; Irwin: Yes; Determann: Yes.

Motion carried.

County Employee Health Benefit Contribution: Determann said the arbitration ruling with the Sheriff's Office union held the employee contribution for health insurance at 8%. He said during budget sessions it was planned to set the employee contribution at 11%. Determann looked to the Board on how it would like to set the contribution rate for the County employees outside of the Sheriff's Office union. Aldridge spoke about the County's self-funded health benefits. Determann said it's possible the Sheriff's Office may need to go to its own plan. Determann said the current split in contributions means other employees of the County will be paying to cover a portion of the Sheriff's Office. Srp said this why he wants to talk about a whole benefits package. He said all of this affects the taxpayers and the County's budget. Irwin said he's not willing to separate one office from everyone else if we are all in the same plan. He said he is open for looking at a different plan for that office because they will likely be in the same place next year. Van Lancker warned about removing that many people from the County plan as it could have an adverse effect on the self-funded plan. Srp said he's not sure how he could justify higher contribution rates for some employees and not others.

MOTION by Supervisor Irwin to set County employee health benefits contributions at 8% for fiscal year 2022.

Roll Call: Srp: Yes; Irwin: Yes; Determann: Yes.

Motion carried.

Srp said that will keep an additional \$600 a year for family plan and almost \$300 for a single plan in the employees' pockets. Srp said he's now not likely to support the resolution for a 3% wage increase for the Secondary Road. Irwin would like to speak about it next week as the entire County.
