## DEPARTMENT HEADS, ELECTED OFFICIALS AND EMPLOYEES

County Auditor Eric Van Lancker reviewed the Board's schedule. It will meet July 1 to start the fiscal year, but does not plan to meet the week of July 4. The Board's next schedule meeting will be July 11.

Supervisor Srp asked which Supervisor should be available for the discussions about the UP Railroad bridge over the Wapsi River. He said the meeting is Thursday at 1 p.m. Srp asked the proposed County Engineer sharing with Jackson County be on Friday's agenda. He said the Clinton Humane Society would like to provide the Board with a presentation to request County funding.

Supervisor Irwin said July 8 County officials will be able to visit the UP Railroad bridge over the Wapsi to get a better understanding of what is being proposed for the bridge.

Chairman Determann said he attended the City of Clinton planning session Wednesday.

County Sheriff Bill Greenwalt reported there will be a swearing in of new deputies at his office at 9 a.m. on Thursday.

County Treasurer Dustin Johnson reported \$431,000 taxes were sold to investors during the tax sale. He added there is still \$953,248 outstanding on the former Ashford property. He said his office will work with the City on certificates that have not sold the last two years.

County Facility Director Corey Johnson reported the sprinkler piping in the Courthouse basement needs to be repaired and he's received two bids back for that. The cost will be approximately \$20,000. He added the fence project at the Manufacturing Drive property will be delayed until the next fiscal year as the back parking lot extension did not get completed as expected. He said the restroom remodel in the Administration Building is continuing with the tiling starting in two weeks. Johnson said concrete work around the Administration Building will start in mid-July and include the walkway in front of the Auditor's Office door. He said a flush valve issue at the jail will be looked at by a contractor this week. He said the architect has started working on the window project at the Administration Building. Johnson said fire drills at the Administration Building and Courthouse were conducted last week and all went well. He said a drill is scheduled for the DeWitt building later this week.

Clinton County Conservation Director Phil Visser said there are just a few camp sites still open for the Fourth of July weekend. He said they are keeping an eye on the Wapsi River levels. He added that fireworks are not permitted on Conservation grounds.

## DISCUSSION WITH POSSIBLE ACTION

Review of the County Payee Program Fee: County Community Assistance Director Kim Ralston said the fee is currently \$45, but can be increased to \$48 which is allowed by the Social Security. She said the County meets all the regulations required by Social Security. Ralston said other agencies in the area that act as protective payee charge the full amount allowed. She said there are other agencies around the state that charge less.

MOTION by Supervisor Srp to increase the County payee program fee to \$48.

Roll Call: Srp: Yes; Irwin: Yes; Determann: Yes. Motion carried.

Carosh Update: Representative of Carosh update the Supervisors on its HIPAA program and discussed the renewal of services.

MOTION by Supervisor Srp to authorize the Chairman to sign the renewal agreement with Carosh for HIPAA consulting services.

Roll Call: Srp: Yes; Irwin: Yes; Determann: Yes. Motion carried.

10:30 A.M. County Indigent Burial Policy

Review of the County Indigent Burial Policy: Ralston reviewed the recommended changes. She said it costs between \$300 to \$500 to open and close a grave. Ralston said the Board may want to consider a separate amount for cremation. Ralston recommended \$1,200 for cremation and \$300 for open and closing. She said these incidents are fairly rare when a family can't be contacted. Ralston said she has never heard of any issues with the costs not covering the amounts the County has offered in its policy. Srp said if there isn't family available he would like to have the policy state to have the \$300 available for one of the County plots. Ralston said there are not usually more

than five of those instances every year and usually less than that. Ralston will update the policy and return it to the Board for its consideration.
