

Seeking applications for the position of Clinton County Field Appraiser

The Field Appraiser for Clinton County will assist the County Assessor in all aspects of mass appraisal and property assessment functions of the assessor's office. Applicants shall have a thorough knowledge of real estate, legal descriptions, appraisal techniques, types of construction, building materials, and property tax exemptions.

Primary responsibility will be the discovery, listing, and valuation of real estate for property tax assessments. Mobility to climb up and down stairs, measure and record exterior dimensions on rough terrain, and list interior and exterior features that affect value. Field work in inclement weather sometimes required. Computer skills in Computer Assisted Mass Appraisal and GIS applications are desired.

Valid driver's license and a reliable vehicle for transportation required.

Application forms are available on the county website: www.clintoncounty-ia.gov

Clinton County employment application required.
