

CLINTON/JACKSON ECI EXECUTIVE COMMITTEE MEETING

July 21, 2014, 8:00am

329 E. 11th Street

DeWitt, Iowa

Board Members Present: Jack Willey, Linda Hledik

Staff Member Present: Jenny Kreiter

FY14/15 Financial Report/Contract update: Jenny reported that she has set up a series of meetings with the Clinton County Auditor and his staff and are working on monthly financial reports, quarterly reports, yearend reports and annual report documentation. We have also agreed upon a new contract for the new office we will be moving to in August or September. The Executive Committee reviewed these items.

7/30/14 Clinton/Jackson ECI Board hosting a Community Forum: Iowa Department of Health recently contacted Jenny to set up a Community Forum with our community partners and parents who use home visitation services. We have been asked to do this because there is a possibility that MIECHV funding might be expanded into Jackson County during the next grant award. The Executive Committee asked Jenny to move forward with all the necessary steps to have this forum.

Respectfully submitted by:

Jenny Kreiter, Director
