**Clinton County City Election
Night Results Plan Announced**

CLINTON – Clinton County Auditor and Commissioner of Elections Eric Van Lancker announced that City Election results on November 7 will be updated on the Clinton County Web site every 15 minutes until the last precinct has reported.

“In the past, we’ve updated as we received precinct results,” Van Lancker explained. “With updating every 15 minutes, voters will know the latest returns are being reported.”

Van Lancker said results may be reported slower than usual Tuesday night as several cities in Clinton County have races that will be determined by write-in votes. He said write-in votes take a little longer to tally and report.

Unofficial results from Tuesday’s City Election can be found at www.clintoncounty-ia.gov. The first report, the absentee ballot results, will be posted shortly after 8 p.m. and then results will be updated every 15 minutes after that.
