Phone Lines Restored at Clinton County Administration Building

CLINTON – A telephone line leading into the Clinton County Administration Building that was cut Wednesday during work on the parking lot at the facility has been repaired.

The Thursday morning repair will allow telephone calls to be received and sent from the building. The County Treasurer's Office is also now able to process vehicle registrations.

County officials thank the public for their patience during the time the phones lines were not working.

Offices located in the Clinton County Administration Building include: Auditor, Veterans Administration, Human Resources, Recorder, Treasurer, Engineer, Mental Health Community Assistance, IT and both City and County Assessors.
