Please contact the Clinton County Engineer’s Office (563-244-0564) for information regarding:

- Permits for new or reconstructed driveways
- E911 addressing for new building sites
- Allowable mailbox & mailbox supports (placement of obstructions in the road Right-of-Way prohibited by Iowa Code Section 318)

Please contact the Clinton County Health Department (563-659-8148) for information on well & septic permitting.

I understand that this permit will be issued on the basis that all the information provided on this application is correct and I agree that all construction and uses will comply with the Clinton County Master Plan, Zoning Ordinance, Subdivision Regulations, and Flood Plain Ordinance. All provisions of laws and ordinances governing this occupancy will be complied with whether specified or not. The granting of this permit does not presume to give authority to violate or cancel the provisions of any state or local law, ordinance or regulation. Violation of any of these ordinances or laws shall result in revocation of the permit; the application of any penalties listed in the Zoning Ordinance and any building under construction or constructed which is in violation may be required to be removed.

By my signature, I certify that I have read and understand the conditions of this permit.
