

Clinton County Hazard Mitigation Plan Update Community Announcement & Kickoff Meeting

We want to hear from you... Your voice matters!

Clinton County Emergency Management is inviting the public in communities across the County to participate in the Hazard Mitigation Plan Update process. Why should you get involved?

Gain an understanding of:

- *What the Hazard Mitigation Plan is*
- *How it is used throughout the County*
- *What hazards, risks, and threats we have in the County*
- *How we assess the impacts from the risks*
- *What can be done to reduce risks*

Two ways for you to be involved!
