DEPARTMENT HEADS, ELECTED OFFICIALS AND EMPLOYEES

Clinton County Auditor Eric Van Lancker reminded the Board it meets on Tuesday next week due to the MLK Day holiday on Monday. Van Lancker also reminded Chairman Determann of the Moody's bond rating call at 2:30 today. He also reminded the Board that the County Compensation Board will meet tonight via WebEx. Van Lancker said the Board is also scheduled for a drainage district meeting in DeWitt on Wednesday.

County Attorney Mike Wolf believes the courts will continue with jury trials on February 1. He said jury selection will be done at the Masonic Center and after the jury is picked it will be moved to the Courthouse.

County Treasurer Dustin Johnson said \$868,000 is outstanding for the first half property tax collection and more than \$500,000 from the previous year is still uncollected since there wasn't a tax sale. He believes that will be collected with a tax sale this year. He said he is visiting Muscatine and Jones counties to review their processes. He said pandemic protocols will be followed during the visits.

DISCUSSION WITH POSSIBLE ACTION

Sheriff's Office Union Official Offer: The Board received the initial offer from the Sheriff's Office Union. The Board will present its response next week.

Elvira Wastewater Project Update: County Sanitarian Shane McClintock presented a cease and desist letter for the Board to consider. The letter would be sent to those residents who do not participate in the County program. He said there are currently four residents who have not responded to the County. McClintock said 10 are needed to proceed and they have received nine agreements. Wolf said he believes the notices are now the next step in this process. Wolf recommended the letter be sent to those residents.

MOTION by Supervisor Srp to approve of the cease and desist letter as proposed and send to the appropriate residents.

Roll Call: Srp: Yes; Irwin: Yes; Determann: Yes. Motion carried.

FY22 Budget Presentation Schedule: The Supervisors reviewed the schedule for upcoming budget presentations.

Supervisor Committee Assignments for 2021: The Supervisors agreed to discuss this next week.

Appointment of the Civil Service Commission: Supervisor Srp hoped to be able to present a name today, but that hit a snag. He hoped to have another name soon.

Center Township Payroll Request: Van Lancker reported the township officials are requesting the Board allow the payroll for the officials from last fiscal year to be paid. Officials said their new clerk was not aware of the policy to not pay payroll outside of the fiscal year. Van Lancker said this policy was enacted about four years ago and two townships were given a pass, as long as they don't ask again.

MOTION by Supervisor Srp to approve the payroll from Center Township from the previous fiscal year for a one-time exception.

Roll Call: Srp: Yes; Irwin: Yes; Determann: Yes. Motion carried.

10:28 A.M. Public Hearing

Chairman Determann called a public hearing into order to solicit public comment on a proposed issuance of not to exceed \$5,000,000 General Obligation Bonds of the County for essential county purposes – communications equipment.

Publication was presented, approved and returned for filing

Present were the Board of Supervisors Irwin and Srp, County Auditor Van Lancker, media and public.

No comments were received before the hearing.

County Treasurer Dustin Johnson said he objects because he believes the project could be paired down and the County was pressured into making these decisions and it is a burden on the taxpayer. Johnson said there are solutions significantly less costly to address some issues.

Supervisor Srp said the solutions proposed by the professionals in this area have recommended these systems and the elected officials in charge of this budget are also all in agreement.

Chairman Determann said the County was fortunate the State had a backup system that works after the derecho hit. Determann said it did move fast. He believes it should be discussed in the future about cities paying for replacement equipment.

County Communications Director Eric Dau said the future issues with narrow banding was also part of this decision. He said narrow banding was pushing communications toward this decision in the future. Supervisor Irwin said the derecho situation could have been fixed more inexpensively, but the County was headed toward this decision due to narrow banding. He said this was the best long-term solution at the time. He said he doesn't like the County funding the system, but it was the best way to administer it for the safety of County residents. He would still like to talk about how this will be funded in the future.

MOTION by Supervisor Srp to adjourn the public hearing.

Roll Call: Srp: Yes; Irwin: Yes; Determann: Yes. Motion carried. The public hearing was adjourned at 10:40 a.m.
