Coronavirus/COVID-19 update: County Community Health Manager Michele Cullen reported there was an increase in cases compared to last week from 128 to 261. Cullen said the positivity rate has jumped to 20.3%. Cullen said she is being told if they test a couple of people in the same household and they are positive that clinics are not testing the rest of the family. Cullen said most of the issues have come from family events and that there has not been one or two specific events causing the increase. She said the vaccination rate has increased to 53% for the County and the booster clinics are going very well. She said public health will continue to operate clinics the next three Wednesdays. Cullen said hospitalizations are up to 190 from 128 last week. She said Genesis is at 48 from 39 last week and Mercy had eight last week and six this week. Cullen said the symptoms appear to be milder than what was being observed last year, but there still is a need to protect those more vulnerable. Irwin expressed concerns about the increase in numbers and the County-wide training scheduled for next week. It was generally agreed to postpone next week's County-employee training.

DEPARTMENT HEADS, ELECTED OFFICIALS AND EMPLOYEES

County Auditor Eric Van Lancker reminded the Board it is scheduled to meet Thursday. The Board confirmed it will not meet the week of December 27. He said he will be sending out the meeting invitations for the County Compensation Board this week for January 10.

Supervisor Irwin attended a training for workforce development last week. He said the training was helpful to understand how Maryland's workforce development works. He said it is mostly run locally as opposed to the state running it as is done in Iowa. Irwin said they also met on Friday with the state workforce development in which he believed the state did not offer any assistance to this side of the state where the unemployment in the state is the highest. He said there should be more of a presence by workforce development to match workers with jobs.

Chairman Determann reported he visited the Mercy One Mobile clinic at the Courthouse on Friday. He said it will be well received and the Courthouse is a good location for the clinic.

County Treasurer Dustin Johnson reported his office sent tax suspension recipients a letter explaining the process and it has yielded some payments.

County EMA Director Chance Kness reported the monthly siren testing is done at 10 a.m. on Tuesday because Illinois has done it at the same time due to the radiological drills. He said testing won't be done in rural areas on Tuesday due to the weather. He said they have experienced damage during the siren tests in cold, wet weather conditions. He added the Clinton County has been approved by the National Weather Service for the Storm Ready designation through 2025.

DISCUSSION WITH POSSIBLE ACTION

Permits for Tower Construction in County Right-Of-Way: Irwin asked about an antenna that was constructed in County right-of-way. He had asked the County Engineer if a permit was issued for that construction and found out there was no permit. County Zoning Director Thomas Barnes said that construction should have needed a special exceptions permit. Irwin said the County Engineer was asked to follow up on Monday.

County-Wide Training Update: Was discussed during the COVID-19 update.

9:54 A.M. Public Hearing

Chairman Determann called a public hearing to order to solicit comments on a text amendment to the Zoning Ordinance Chapter.

Proof of publications was presented, accepted and returned for filing.

Present were Supervisor Irwin, County Auditor Van Lancker, County Zoning Director Thomas Barnes, public and media.

Barnes explained the text amendment adjustments that were proposed.

Randy and GeriLynn Roeder were present to support the amendment and describe the potential subdivision that could be created.

No comments were received previous to the hearing.

MOTION by Supervisor Irwin to adjourn the public hearing.

Roll Call: Srp: Absent; Irwin: Yes; Determann: Yes. Motion carried. The public hearing was adjourned at 9:59 a.m.

Barnes said he would present a resolution for consideration next week to adopt the ordinance language.
