DEPARTMENT HEADS, ELECTED OFFICIALS AND EMPLOYEES

County Auditor Eric Van Lancker said he is starting work on the beginning of the fiscal year resolutions and setting up plans for the July 3 cash count. He said an email will be sent out about that process this week.

County Treasurer Dustin Johnson said the tax list for the tax sale on June 19 should be running in the newspapers this week.

County Conservation Director Philip Visser said the Memorial Day weekend went well with half of Rock Creek Campground open for the that weekend after the flooding.

County Maintenance Director Corey Johnson said they plan to address issues with the jury box in the South Courtroom with a small remodel to address tripping hazards.

DISCUSSION WITH POSSIBLE ACTION

Broadband Expansion in Clinton County: Chairman Irwin said he attended a recent meeting about broadband expansion in the State. He said some folks there from Charlotte said things have not been great since the tornado and they are not getting any assistance. Irwin said Miles Communications is trying to expand into Charlotte and is asking for assistance from the County. Irwin said he would bring that to the Board to discuss as a County. Srp said this area did show up on the most recent State map. Van Lancker said there is about \$600k available in ARPA funds. Srp said he would like to consider ARPA funds for County functions considering the tax levy limits recently put into place by the State legislature before committing funds to a broadband project. Irwin said there is also a company that is interested if the County would like to link its DeWitt Office with the Clinton office as there are potentially other organizations that may be interested in the same. He said that would require some County investment as well. Irwin said he will ask both potential projects about what they would be requesting from the County.

County Employee Compensation Time Policy Review: County HR Director Ally Ellison reviewed the current policy for compensation time. She said the changes they are looking at would limit the liability of the comp time and an effort to pay it out at the rate it was earned. She said the new rules would have a rollover maximum of comp time. Srp said this was discussed during the County Conservation Board meeting and they support the changes but wanted the County Board to provide feedback about the proposed changes.
